Doddington and Whisby Parish Council

The villages of Doddington and Whisby lie approximately 6 miles west of the City of Lincoln with fine views of the Cathedral. Access to the parish by road is from the A46 and A57. Railway stations are at Swinderby, Hykeham, Saxilby and Lincoln Central.

Both villages have a long history. Doddington and Whisby are both mentioned in the Domesday Book. The most significant landmark within the parish is the stunning Elizabethan family home of Doddington Hall, built by 1600 by Robert Smythson. The hall is still a family home and boasts beautiful gardens, a restaurant, a range of shops and a cycle store. <https://www.doddingtonhall.com>

Next door is the Grade 1 listed St Peter's Church, originally from the 13<sup>th</sup> century and rebuilt in 1771-75.

Doddington village has access to route 64 of the national cycling network via the Georgie Twigg track, a traffic-free route opened in 2017 by local resident, Olympic Gold medallist Georgie Twigg MBE.
